CSSIN LETTER: 07-02

ALL COUNTY ADMINISTRATIVE OFFICERS
ALL BOARDS OF SUPERVISORS

SUBJECT: PRESUMED INCOME TABLE UPDATE

REFERENCE: THIS LETTER SUPERSEDES CSSIN 03-18.

Enclosed is the updated table for establishing support orders based on presumed income. The amounts reflected on this table became effective January 1, 2007 when the minimum wage increased to \$7.50 per hour.

Pursuant to Family Code (FC) Section 17400(d)(2), or FC Section 5002(a) for Uniform Interstate Family Support Act (UIFSA) cases, the obligor's income shall be presumed to be the amount of the minimum wage at 40 hours per week, as established by the Industrial Welfare Commission per Section 1182.11 of the Labor Code (LC) when the obligor's income or income history are unknown.

The enclosed chart was prepared using the Guideline Calculator. Effective January 1, 2007, California's minimum wage (\$7.50) was multiplied by 40 (average work hours per week). That figure (\$300) was then multiplied by 52 weeks (\$15,600) which was divided by 12 months to arrive at the figure of \$1,300.00. This figure is the basis for the obligor's monthly child support obligation.

If you have any questions or concerns regarding this matter, please contact Cindi Pocoroba at (916) 464-5055.

Sincerely,

/s/

DEBRA SANCHEZ
Acting Deputy Director
Child Support Services Division
